Cruel and crafty invaders have been spotted in battle formation warping toward Earth at an incredible speed! You must act quickly to save the Earth from these terrifying creatures!

To load:

Level I - Set up tape and place volume 7-8. Press play on recorder and type "CLOAD". Game will begin upon successful completion of loading.

Level II - Set volume 4-6 and press play. Type "SYSTEM" and press [enter]. Type "GALAXY" and press [enter]. After tape loads type a slash and [enter].

Use either the left and right arrows or "<" and ">" to move your ship right and left. Use either the space bar or "F" to fire.

The game is over when all ships are exhausted. An extra ship is awarded at each 10,000 points.

To hear the sound, connect the cassette AUX plug to an amplifier or into your cassette recorder and listen through an earphone with record and play depressed.
